Custom Publishing with FAITH Catholic

FAITH Catholic, the nation's largest publisher of Catholic magazines, works with dioceses and Catholic organizations to help them create powerful publications. These magazines typically are the only Catholic content in the home, which is why they are crucial for inspiring and forming everyday Catholics.

Our Vision: Content Evangelization

We believe that the purpose of all Catholic media is to evangelize. We help dioceses and Catholic organizations create magazines, websites, and digital media to:

- Grow disciples who go evangelize
- Provide tools for disciples to share the Good News of Jesus Christ

We call this Content Evangelization.

“I invite everyone to be bold and creative in this task of rethinking the goals, structures, style and methods of evangelization ...”

- POPE FRANCIS

What do readers say about FAITH publications?

FAITH readership surveys prove that using the Faith Framework is effective:

88%

“Makes me feel more connected to my Catholic faith”

68% say the magazine “helps me explain my faith to family and friends”

82%

of adults ages 30 to 49 find the magazine interesting

64% spend more than 15 minutes reading

79%

“Moves me to be more interested in spiritual growth”

What does the research say about magazine media?

88% of US adults read a magazine in the last 6 months, as have 88% of adults age 18–24.

Magazines are more inspiring, fulfilling and trustworthy than websites or TV.

Magazines gain readership long after their publication dates because their longer shelf life means multiple members of a household have access to the content.
